Wilson Reading Program

Purpose and Goals

Implement research-based reading programs to students with disabilities. Train teachers in Reading Foundations
Analyze reading scores and fidelity checks to offer best instructional approaches to students with disabilities

Description Of Students

Students with disabilities are receiving research-based reading instruction in pullout or inclusion settings. Programs used in Rockingham County include the Wilson Reading Program and the Corrective Reading Program. Students participating vary in exceptionality categories.

Description of Instructional Model

Wilson Reading System and SRA Corrective Reading programs will be used in the targeted schools. Students are assigned to one of these programs.
