Foundations of Reading Participant Training Manual

This manual is used in the Reading Foundations training course provided to schools involved with the North Carolina State Improvement Project. The training provides a comprehensive course for teachers of students struggling in the area of reading. The manual provides all materials (readings, hand-outs, and presentations) participants need while taking the training. The manual is shrink wrapped and 3-hole punched with tabs for quick access.

EC146, 2011 Revised, \$25.00
